

Frank Arguello

EDUCATION

B.S. (Biology) Degree, College of Bachelors, Torreon, Coah., Mexico.

M.D. Degree University of Nuevo Leon School of Medicine, Monterrey, N.L., Mexico.

PROFESSIONAL EXPERIENCE

Intern, University Hospital "Jose E. Gonzalez," University of Nuevo Leon, Monterrey, N.L., Mexico

Postdoctoral Fellow, Department of Pharmacology and Toxicology, Cancer Research Unit, University of Nuevo Leon, Monterrey, N.L., Mexico

Postdoctoral Fellow, Division of Medical Oncology, University of Connecticut Health Center, Farmington, CT.

Research Associate, Department of Pediatrics, Hematology/Oncology Division, University of Rochester School of Medicine and Dentistry, Rochester, NY.

James P. Wilmot Instructor and Fellow of Pediatrics, Department of Pediatrics, Hematology/Oncology Division, University of Rochester School of Medicine and Dentistry, Rochester, NY.

Senior Instructor of Pediatrics, Department of Pediatrics, Hematology/Oncology Division, University of Rochester School of Medicine and Dentistry, Rochester, NY.

Assistant Professor of Pediatrics and Oncology, Department of Pediatrics, Hematology/Oncology Division, and The Cancer Center, University of Rochester School of Medicine and Dentistry, Rochester, NY.

Senior Investigator, Laboratory of Drug Discovery, Research and Development, Division of Cancer Treatment, Developmental Therapeutics Program, National Cancer Institute-FCRDC, National Institutes of Health, Frederick, MD.

Section Head of Preclinical Research & Development, Department of Drug Discovery, Institute of Research Cesaro S.p.A., The Ares-Serono Group, Ardea-Rome, Italy.
